Please designate a school preference and rank your choice (1st, 2nd, 3rd). If the school designated as the first choice is full, the second choice will be given. If that school is full, placement will fall to the third choice (subject to availability). If a second or third choice is not marked, it will be assumed the parent is requesting admission to his/her first choice only. If that placement is not available, no other school will be offered.
