PRINCIPAL'S CORNER

A huge thank you to everyone that helped make our tailgate party the best yet. Those days are important for our students, and we appreciate those who stepped up to help make it a great day.

We are very proud of our "Reward School" designation for the 2021-22 school year. This designation is a combination of achievement, growth, and attendance. We were able to accomplish this even with a high absence rate last year.

Attendance is the #1 place that we can make a difference in every area of the educational process for our students. Please join us in prioritizing attendance with our students!
