

Kindergarten Virtual Schedule

Dear Families,

This is the daily schedule for virtual learners in kindergarten. The pacing follows what we are doing in the classroom. It is important to keep students on the same pacing, both in person and virtually. The suggested pacing will ensure that students cover all of the kindergarten content and standards by the end of the school year. Included in each weekly packet is a schedule, weekly assignments, and other materials that will be helpful in teaching new content. Please reach out to your child's teacher if you have any questions about the work.

Working together,

The Kindergarten Team
